

**California Department of Veterans Affairs
Veterans Homes of Greater Los Angeles and Ventura Counties**

THE VETERANS HOME OF CALIFORNIA—VENTURA

**10900 Telephone Road
Ventura, California 93003**

Fact Sheet

Background

As an expression of gratitude toward California's deserving Veterans, the California Department of Veterans Affairs (CDVA) is constructing three new Veterans Homes of California, referred to collectively as the Veterans Homes of California—Greater Los Angeles and Ventura Counties or VHC-GLAVC. Individually, the new Veterans Homes are referred to as the Veterans Home of California—Ventura; the William J. "Pete" Knight Veterans Home of California—Lancaster; and the Veterans Home of California—West Los Angeles. The temporary office location for VHC-GLAVC is located at 6150 Van Nuys Boulevard, Suite 305, Van Nuys, CA, 91401. The telephone number is (818) 742-1755.

The CDVA's mission is to promote and deliver the benefits provided by the grateful State of California to its deserving Veterans and their families – with a vision for California's Veterans to live the highest quality of life with dignity and honor. It is the Department's goal to provide the best long-term care and enhanced quality of life for all California Veterans Home residents. These Homes provide California's Veterans with a living environment that protects their dignity and contributes to their feeling of self-reliance and self-worth. The Homes' amenities are intended to provide residents excellent care in a homelike environment and foster a sense of community.

The Veterans Home of California—Ventura

Construction for the Veterans Home of California—Ventura, began in July, 2007, is ongoing and is estimated to be completed in the late summer of 2009. After a short period of licensing, and installation of equipment and furniture, the CDVA plans to hold a grand opening ceremony at the Home, estimated to take place in the late summer or early fall of 2009.

Levels of care include:

1. Residential Care for the Elderly (RCFE) – 60 beds

Members who are age 62 and older may voluntarily admit themselves to this level of care with verification of their need for supervision with such activities as bathing, dining and/or taking their own medications. These members are also offered assistance with transportation to medical appointments and community activities. Typically, these members are active and mobile, and are encouraged to do as much as possible for themselves within the context of RCFE care.

Levels of Care, continued

2. Adult Day Health Care Program (ADHC) – 50 members

The ADHC center provides a therapeutic environment designed to restore the Veteran's capacity for self-care, and to delay or even prevent placement in a Skilled Nursing Facility. To participate in the ADHC program, the Veteran must have live-in support of family or friends and must have a plan to graduate from the program to resume an independent lifestyle at home.

The ADHC portion of the center will open in 2010. This is the first time the Department will offer an ADHC and the additional time will help to ensure that this valuable new service is initiated smoothly. This short delay will assist in the transition process to this wonderful new service for California's deserving Veterans.

The estimated cost of the Veterans Home of California—Ventura is \$26.5 million.

Ventura County is home to one of the largest concentrations of Veterans in the nation: 60,000 to 65,000, with an average age of 65, according to the Ventura County Veterans Services Office.

Applications for Admission

In order to be eligible for admission, an applicant must be age 62 or older (or younger if disabled), a resident of California and have served honorably in the military. Applications for admission are now being accepted by contacting Mercy Bustos in Admissions at the CDVA's temporary Ventura location, located inside the State of California Employment Development Department, at 635 S. Ventura Road, Oxnard, CA, 93030. She can be contacted directly at 805-765-5601. An application will be mailed to those interested. Or please contact the GLAVC temporary office at 818-742-1755.

The CDVA encourages all eligible veterans to apply for admission to a Veterans Home of California.

Employment

Employment opportunities for all GLAVC sites are listed at the CDVA website at www.cdva.ca.gov. For the Veterans Home of California—Ventura, the interested party can also contact Maria Gonzalez in Human Resources at the CDVA's temporary Ventura location located inside the State of California Employment Development Department, at 635 S. Ventura Road, Oxnard, CA 93030, or she can be contacted directly at 805-765-5606 for additional assistance; or call the GLAVC temporary office job line at 818-742-1757 or 818-742-1755.

Additional Veterans Homes of California

In addition to the three new Veterans Homes of California currently under construction, Veterans Homes of California are also in operation in the cities of Yountville, Chula Vista and Barstow. Future sites include Redding and Fresno.

For additional information on the Veterans Homes of California, as well as Veterans benefits, employment, educational resources, services, CalVet Home Loans, Veterans license plates, and more, please log onto the CDVA website at www.cdva.ca.gov.
